Kaley and Doak - Atwater Post office

Talked to Al Jones who is the mail man that makes the mail run on Moff Road. Al said Soc. checks went out on Tuesday. He left box holders on Thursday. Al could not remember anything out of the way at the Hartigs. Al said sometimes he would wave to Bearnhardt when he saw him working in the yard.

Walter does not know. Would not take number
at that number.

Thought they saw a white Cadillac in the
evening or week ago.

was parked in the turn around at Brennan's
