Narrative:

On 4/6/93 at 1:50 p.m. an interview with Gary St. Clair was done at the Portage County Courthouse. Present were Gary St. Clair, Investigator Craig-Portage County Prosecutor's Office, and Defense Attorney, Kathleen Tatarsky.

Gary stated the following: He was in the back seat of the car behind the driver, that being the left passenger side door. They were going East on Moff Rd. (determined by where house was when he got out of car) The house was white.

Out side at the house was a riding lawnmower, tractor, red in color and it was outside the garage door and garage door was open. Garage is attached to house as is a two car garage.

The front step is cement blocks "a block step".

Gary took the shotgun with him. He has it under his brown coat, across his chest, his hands are in his pockets and he holds gun up, supports it in that manner.

Tyrone had a 25 or 22, thinks it was a 25, same gun which came from Hughes.

Tyrone enters house first, Gary right behind him. Tell lady car broke down while at front door. Tyrone pulls gun. Gary pulls gun. Tyrone tells Gary to go to the bedroom.

Gary thinks Mr. Hartig came in house after they were already in. Gary thinks he was only in one bedroom. He puts shotgun on bed, begins looking in dresser drawers; looks under bed, in bedroom 10-15 minutes then hears shots 6 or 7, not sure. Hears Tyrone shouting as he is shooting.

Saw Hartigs on floor, blood everywhere. Saw Tyrone hold gun in downward direction. He saw Tyrone shoot victims while lying on the floor. Now avoiding Tyrone he's gone crazy.

Bullet holes in wall somewhere, casings all over the floor.

Tyrone only one that carried the gun. Gary thinks they may have met Chico at Bank on one occasion.

Gary remembers having a party at Johnny's when the girls came, does not recall exactly what night, but after the shooting. One of the girls lived across the street from Tyrone.

Interview concluded at approximately 3:55 p.m. Same people present. Gary returned to jail.
